At Santa Cruz the fort was taken by the insurgents without the loss of a man. All the arms and ammunition of the Spaniards fell into the hands of the Cubans. All the Spaniards were cap- tured and subsequently released.

The insurgent leader Calumga, who was recently killed by the Spaniards, has completely recovered. It develops that the person murdered was an aged fisherman who has taken no part in the war.

THE PACIFIC REPUBLIC.

Opening of Hawaiian Legislature Inad- vertent to the Government.

SAN FRANCISCO, March 6.—The steam- ship Austrasia has arrived, bringing the following advices from Honolulu:

The regular session of the legislature commenced on the 19th ult. The president read his message. It contained nothing of a radical nature. The most important bill introduced so far is an act to provide for the license of opium. Lump sums are to be charged for the privilege and a duty of \$2 a pound is to be levied. In certain circles much op- position has been aroused and the bill will probably not become a law.

On the morning of the 19th, previous to the opening of the leg- islation, the Bennington left port for target practice. She returned to port two days later. Her officers were invited to be present at the ceremony. Their nonacceptance is looked upon here as another insult to the Hawaiian government.

The approaching yellow fever sea-  
son in Cuba will cut an important  
figure in behalf of the belligerents.  
Last year 3162 Spanish soldiers suc-  
cumbed to the disease on the island.

There is a growing sentiment  
among thinking people, and especially  
among the temperance people,  
that the Republican party has failed  
to trick the latter by legislation, as  
it intended to do.

The plot thickens. Ex-Senator  
Manderson, of Nebraska, is the latest  
candidate for the Presidency. He  
also declares that he is in earnest,  
and that in this case means that he  
will be a good trader.

Only three hundred and sixty-one  
of the important sugar factories in  
Cuba are running. The Sugar Trust  
is, of course, not informed of this, for  
the people have not been informed of  
an advance in refined sugars.

The war in Cuba has not cut off the  
supply of that fragrant growth  
Havana tobacco, as to force the  
epicurean smoker to stimulate him-  
self with Cuban cigarettes. Indeed  
it looks as if the insurgents had not  
made the advance claimed for them.

Tennison's Reply to Mr. Austin.  
Somebody, I see, has unearthed  
the silly attack upon Tennison  
which Mr. Austin made a considera-  
ble number of years ago, but nobody  
has quoted the vigorous couplet in  
which Tennison—who by no means  
liked to be attacked, even by the  
most insignificant of persons—re-  
plied his assailant. Here it is:  
Tennison is no giant; all men know it.  
For so says Alfred Austin, dean and poet.

#### AN EX-EMPLOYEE'S RASHNESS

Begged the Superintendent to Re-estate  
Him, and on Being Refused He  
Drew His Revolver and Fired

due him. In the afternoon he returned  
and went to Watson's office. He begged  
the superintendent to reinstate him,  
and when the latter refused the detec-  
tive arose and advancing toward the  
desk said, "Well, superintendent, here  
are your papers."

Just then Clerk John Skane entered  
the room. Watson was standing about  
five feet from Mr. Watson with a re-  
volver in his hand. Watson jumped

murderer of Benjamin F. Plaford, an  
alleged murderer of 21 others, was fixed  
by Governor Hastings for Thursday,  
May 7.

The governor thought Holmes should  
have been 60 days in which to pre-  
pare for death, and selected the date  
accordingly. The death warrant was  
at once prepared and forwarded to Sher-  
iff Clement J. Philadelphia.

#### SENSATION IN THE SENATE.

Mr. Allen of Nebraska First Shot at  
Mr. Hale.

WASHINGTON, March 6.—The question  
of Cuban independence came up unex-  
pectedly in the senate when Mr. Allen  
of Nebraska presented a resolution di-  
recting the president to issue a procla-  
mation recognizing the independence of  
Cuba.

An objection from Mr. Hale of Maine  
to the request of Mr. Allen for unani-  
mous consent to make a speech on the  
resolution diverted matters to an ex-  
change of personalities inconsistent  
with a national courtesy. The Nebraska  
senator warmly announced that if Mr.  
Hale objected the latter could take  
warning that he would not receive  
unanimous consent on any measure as  
long as he (Allen) was in the senate.

This brought forth from Chandler of  
New Hampshire a declaration that he  
would give unanimous consent to no  
senator who preferred his request with a  
threat against senators in general.

Mr. Allen retorted that his remarks  
were applicable to Mr. Hale and not to  
senators in general, and as to Mr. Hale  
he had no apologies to offer. Mr. Hale  
said he would have no vendetta with  
Mr. Allen, and thought each could be  
in better business than watching to pay  
the other out.

Mr. Chandler announced that sena-  
tors were in the habit of doing business  
as a body of gentlemen, observing such  
amicable as would prevail in a gen-  
tlemen's own parlour, and Mr. Wolcott  
of Colorado added his protest against  
personalities, and Mr. Allen closed the  
incident by stating that he would post-  
pone his speech, adding sarcastically  
that he would do this if Mr. Hale gave  
his consent to such a course.

The senate then went to the calendar  
and passed the following bill and resolu-  
tion: To pay Charles P. Clifton, a  
survivor of Chateau Harrison, N. Y.,  
\$174,000 for a battery furnished during  
the war; directing the judiciary com-  
mittee to investigate the subject of  
"contempt of court" and report what  
amendatory legislation was necessary.  
The last resolution was drawn by Mr.  
Hill and is a substitute for resolutions  
for inquiry into the imprisonment of E.  
V. Dole.

#### A MUCH MARRIED MAN.

He Had Only Deceased and Banned Nine  
Women in Nine Years.

KANSAS CITY, March 6.—H. C. Wil-  
moth, going under various aliases, and  
who was recently arrested at Terre  
Haute, Ind., and taken to Kansas City,  
Kau, charged with bigamy, pleaded  
guilty in the city court.

The trial developed the remarkable  
fact that Wilmoth had in the last nine  
years married nine different women, all  
of whom are said to be living, and that  
in each case he deserted them after se-  
curing their money. They live in Chi-  
cago, Duluth, St. Paul, Cincinnati and  
other parts.

Mrs. Wilmoth No. 1, formerly Miss  
Ora Wilkins of Seneca, Kan., and Mrs.  
Wilmoth No. 2, a former Elmhurst  
(Ill.) woman, appeared to prosecute the  
prosecution.

Wilmoth had been recently liberat-  
ed from the state penitentiary after  
serving a five year sentence for de-  
framing Mrs. Elsom, a Kansas City  
woman, to whom was married in 1890.

#### PLUCKY MEADE.

England's Death Knell With the Sound of  
When First Shot Is Fired.

NEW YORK, March 6.—Admiral Rich-  
ard W. Meade, in a lecture on "The  
Carnegie Sea," said that in case of  
trouble between the United States and  
Great Britain over Venezuela, the first  
shot fired in anger would sound the death  
knell of the British empire. Discussing  
the Cuban question, he said that Cuba  
should bear the same relation to Spain  
that Canada bears to the British em-  
pire.

No General Massacre For Two Months.  
WASHINGTON, March 6.—Secretary  
Olney has received a cablegram from  
United States Minister Terrell at Con-  
stantinople stating that no general mas-  
sacre has occurred in six months, and  
that much confidence is felt that they  
have ceased.

### GRATIFYING RESULTS.

Interesting Experiments with the  
New Stomach Remedy. Not a  
Patent Medicine, but

#### A SAFE CURE

for all forms of Indigestion.

The results of recent investigation  
have established, beyond question,  
the great value of the new prepara-  
tion for indigestion and stomach  
troubles; it is composed of the digest-  
ive acids, pepsin, bismuth, Golden  
Seal and similar stomachics, prepared  
in the form of 20 grain lozenges,  
pleasant to the taste, convenient to  
carry when traveling, harmless to  
the most delicate stomach, and prob-  
ably the safest, most effective cure  
yet discovered for indigestion, sour  
stomach, loss of appetite and flesh,  
nausea, sick headaches, palpitation of  
heart, and the many symptoms arising  
from imperfect digestion of food.  
They cure because they cause the  
food to be promptly and thoroughly  
digested before it has time to sour,  
ferment and poison the blood and  
nervous system.

Judge Frank Ives, of District  
Court of Crookston, Minn., says: For  
some time I have used Stuart's Dys-  
pepsia Tablets with seeming great  
benefit, with few exceptions I have  
not been so free from indigestion in  
twenty five years.

Geo. W. Roosevelt, U. S. Consul to  
Brussels, Belgium: Stuart's Dys-  
pepsia Tablets, safe, pleasant to take,  
convenient to carry, give keen ap-  
petite, perfect digestion.

Mr. W. D. Tomlin, Mechanical En-  
gineer, Duluth, Minn.: One box of  
Stuart's Dyspepsia Tablets has done  
its work, and I am again gaining  
flesh and strength.

O. E. Ransom, Hustonville, Ky.: I  
was distressed and annoyed for two  
years with throwing up food, often  
two or three times a day; had no cer-  
tainty of retaining a meal if I ate  
one. Four boxes of the tablets from  
my druggist, have fully cured me. I  
find them pleasant to take, conve-  
nient to carry.

Rev. G. D. Brown, Mondovi, Wis.:  
The effect of Stuart's Dyspepsia Tab-  
lets is simply marvelous; a quite  
heartily dinner of broiled beef steak  
causes no distress since I began their  
use.

Over six thousand people in the  
state of Mich. alone in 1894 were  
cured of stomach troubles by Stuart's  
Dyspepsia Tablets.

Full sized packages may be found  
at all druggists at 50c, or sent by  
mail on receipt of price from Stuart  
Co., Marshall, Mich.

### LET'S CLEAN HOUSE.

Is Chairman Kahl's Advice to the Republicans

And Let the Work Commence in the Ward of Lima—A Suggestion that the Republican Councilmen and City Officers Are not up to the Standard

The Republicans of Lima met in convention in the assembly room of the court house, last night, to select a city committee, and get themselves together for the spring campaign now so close at hand.

The Sherman element predominated in the room, and they were all—mild, chuckling and feeling good over the way they had trimmed the Foraker crowd at Lima. This jubilation feeling found substantial expression when Did Not Want to be Congressman Henderson entered the room, and his advent was greeted with applause. When this ovation to the hero of the reservoir battle had subsided, Gus Kahl, chairman of the committee, called the meeting to order and stated its purpose. He then launched into one of his eloquent speeches, discussed the tariff and the money question, did the usual amount of "pointing with pride and viewing with alarm," finally concluding with a peroration in which he advised the Republicans

### TO CLEAN HOUSE

commencing with the council and including all the city officers. In view of the fact that ten out of the fourteen councilmen in Lima are Republicans and all the city officers, which the speaker wanted cleaned out are occupied by Republicans, this was considered as a left-handed compliment. But it was worse, for it amounted to a positive repudiation of those Republicans who now held office in this city. The fact that the chairman was defeated in his aspiration for a position on the county delegation last week no doubt contributed somewhat to the expression to these sentiments. A further cause for this plain talk to the convention was the malodorous

### PUBLIC SQUARE PAYING JOH

And the extravagance of the present city council in paying excessive salaries for services not rendered by certain city officials, and other crying evils which every taxpayer in Lima complains of.

At the conclusion of the chairman's remarks, T. E. Hamilton was nominated for chairman. A Sherman man rushed into the front and nominated D. C. Henderson, but that gentleman with a magnanimity born of the recent castigation administered to Smiley, Haifhill & Co., again thrust aside the crowd, and graciously permitted Mr. Hamilton to be elected by acclamation.

Those present then separated and selected the following city committee:

First ward, precinct A—W. B. Stamp, precinct B, G. W. Glaze. Second ward—W. E. Wilcox. Third ward, precinct A—J. M. Thomas, precinct B, D. B. Miller. Fourth ward, precinct A—J. D. Benson, precinct B, J. L. Edmonson. Fifth ward—J. W. Van Damm. Sixth ward, precinct A—Gus Kahl, precinct B, E. N. Lewis. Seventh ward, precinct A—Charles Baum, precinct B, M. A. Atmure.

The convention conferred upon the committee the authority to fill any vacancies which might occur upon the city ticket, and after adopting a resolution that the committee meet immediately for organization adjourned.

### ORGANIZATION OF THE COMMITTEE

The Foraker gang defeated Gus last week when he wanted to be a delegate to the county convention, but Gus proved too foxy for them last night, and was not only elected a member of the central committee but was chosen chairman of the committee being Charles Baum, secretary, and Minor A. Atmure, treasurer. The committee did not determine upon a time for holding the city nominating convention, but will meet next Tuesday evening for that purpose.

### NECK BROKEN

A Horse Killed in the Metcalf Street Sewer Trench

Before daylight this morning a horse hitched to a spring wagon was killed by falling into an open sewer trench on Metcalf street, below Kibby.

The police and health authorities have been unable to locate the owner of the horse, and the sanitary men will have to attend to having the carcass removed to the garbage grounds and buried. The residents in the neighborhood of Metcalf and Kibby streets found the carcass of the dead horse lying partly in the trench this morning, early. The harness was still on the animal and the wagon was standing where it had stopped when the horse fell. Some one notified policeman Lehman and he notified health officer Rudy.

The trench in the opening made for the extension to the south end of the Metcalf street sewer, that was recently found to be 22 feet short of the amount paid for by the council. Some men commenced work yesterday to complete the sewer, and when night came they left an open trench but placed a lighted lantern at the ends of the trench. The wagon tracks show that the horse was driven around the lantern at the south end of the opening and then to the trench. The animal fell with its head to one side of the trench and broke its neck. The outfit was not of much value, and is supposed to have belonged to some peddler and the owner is thought to have abandoned it.

### DAMAGE SUIT

Beginn Against Mayor Smiley and His Bondsmen

He Issued an Order of Garnishment Against a Resident, and Horace N. Gregory Asks for \$1010 Damages

A suit for \$1010 was entered in the Common Pleas Court last evening against Mayor Smiley and Hillary C. Napier and Daniel Cramer, his bondsmen, by Horace N. Gregory, which will no doubt cause the mayor some trouble and anxiety, and probably some "mental anguish." Gregory, who is and has been a resident of this city for several years, claims that the mayor issued an order of attachment and garnishment with a wilful intent to injure and that it was unlawfully issued.

A prominent attorney who was in the court house this morning remarked that perhaps "the mayor issued the garnishment although Gregory's property was exempt by statute, for the reason that the affidavit did not set forth the fact."

The plaintiff avers that on the 15th day of February, 1896, Henry & Whitney filed a bill of particulars before the mayor, claiming that he (Gregory) was indebted to him in the sum of \$18, and fearing that Gregory would leave the county, asked for an order of attachment and garnishment for certain money and goods belonging to Gregory and held by the Lake Erie and Western railroad company.

The plaintiff alleges that Mayor Smiley did wrongfully, wilfully and unlawfully and with intent to injure the plaintiff, attach and garnish the wages of the plaintiff, and that the wages were exempt by law from execution which the defendant James V. Smiley well knew. The plaintiff further alleges in the suit that the affidavit filed with the mayor did not state sufficient facts required by law to justify such an order of attachment and garnishment, and that it omitted to state that Horace N. Gregory was a non-resident of the county, and that the property sought was exempt from execution, and that the mayor knew the same, but with intent to injure Gregory he issued the same contrary to the law in such cases. The plaintiff further alleges that the attachment and order of garnishment was issued without a bond given by Henry & Whitney, as required by law, although the plaintiff made many demands for the same.

The plaintiff avers also that the order of attachment and garnishment was dismissed at Henry & Whitney's costs.

The plaintiff further states that by the reason of said attachment so wrongfully and unlawfully issued the plaintiff's good name, credit and standing in the community has been greatly injured and impaired so that he has been unable to obtain employment at his usual vocation, that of brakeman on the railroad and that plaintiff did not have money enough by reason of said attachment and garnishment for a period of time to purchase the common necessities of life for said plaintiff and family to live on and to the plaintiff's great damage. The plaintiff avers that he was at an expense of \$10 for lawyer fees in defending the attachment.

For all of these damages the plaintiff asks judgment in the sum of one thousand and ten dollars.

### BETTER TREATMENT HERE

Et Wayne Police Transport a Man Here to Get Rid of Him

Day before yesterday when Chief of Police Haller boarded train at the P. Ft. W. & C. to go to Zanesville a brakeman pointed out to him a man who had just alighted from the train whom he said, the lieutenant of police at Ft. Wayne has sent here in order that that city might be rid of him.

The man's name is John Huffman and the Ft. Wayne police claim that he has been a frequent prisoner in police court for drunkenness and general worthlessness. Night before last Policeman Barry found a man giving the name of John Huffman, on north Main street suffering from an attack of something similar to snakes. He looked him up and yesterday he was turned over to the city infirmary directors, who had him taken to the infirmary.

This morning Chief Haller telephoned the infirmary superintendent and learned that Huffman was in bed and was thought to be pretty sick. If he is able to stand transportation he will be sent back to Fort Wayne.
